When I must leave for a little while Please do not grieve and shed wild tears and hug your sorrow to you through the years. But start out bravely with a gallant smile and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days. but fill each waking hour in useful ways. Reach out your hand and in comfort and in cheer and I in turn will comfort you and hold you near; And never, never be afraid to die for I am waiting for you in the sky !

Cuando le debo dejar un ratito por favor no apena y suelta lágrimas salvajes y le se abraza su pena a usted por los años. Pero el comienzo fuera valientemente con una sonrisa valerosa y por mí y en mi nombre vive en y hace todas las cosas lo mismo. Alimete no su soledad en días vacíos, pero llene cada hora que despierta en maneras útiles. ¡Alcance fuera la mano y en el consuelo y en la aclamación y en yo en cambio le aliviaré y le tendré cerca; Y nunca, nunca tiene miedo para morirse para le espero en el cielo!
