“ Dear Clarence and Holly, As usual it's always great to see you guys. I want to say that I applaud how you guys took on the responsibility and the task of taking care of Ms Kemp. That's never easy thing to do and in light of what all the health issues she had, that made it even tougher. Thanks for being brave for her and going thru with what she wanted. I deeply hope that you are at peace with it. GOD BLESS YOU, JESSE Hope to see you soon again.
