“ Such a special lady and mighty prayer warrior! I received many phone calls from Betty with prayer requests; I am going to miss hearing her voice and talking to her. She loved her family and her church family so well! I am so sorry that we were out of town and missed her service. Praying that God will bring peace and comfort to her family during this time. ❤️

“ *Betty was our neighbor for over 20 years. She was always kind and caring of us. We often spoke on the phone or in person and found her to be cheerful in spite of difficulties. She prayed for us and looked out for the house when we were out of town. She loved her family and spoke proudly of her grand daughter, Estee. We will miss her a lot but look forward to resurrection day when we will see her again.*
