“ To the family; my deep condolences. Liza was an amazing woman whom I've known for a very long time. I met her when I first met Nathan in the 3rd grade (forever ago). I remember going to the house & all of us kids causing trouble & Liza making us go to the school to play. She was truly one of a kind. I loved her big smile & she was always laughing. When I would stress, she would always calm me down & put my attitude in check when needed. Liza will live on forever through memories & her words spoken. She is someone that will never be forgotten, she's another angel in heaven to watch over us. Love Always, Nikki.
