“ Our dear beloved Tootsie!! We have so many, many good visits with Tootsie and Loyd over the years. Whataburger on Saturday mornings.

Iryhfay parties and after Church visits as well. The last time I saw Tootsie was at Casa Maria about a year ago and even though she didn't know me, she was so very happy to see me and the nurses couldn't get over her reaction to me. They were gonna tell Terry and Jackie the they came in. Such a beautiful Christian Lady inside and out. I had been watching the calendar and that morning I said Happy Birthday Mrs. Green! Not even 30 minutes passed and I got a text from Tim saying she had passed at 6:00am. AMEN AND MAY SHE REST IN PEACE WITH HER FAMILY AND FRIENDS

Our love and prayers of comfort to this family!
