“ So very sad to hear of Eloise passing. We were co-workers way back our kids were young, we found out around the same time of our pregnancies with our 2nd child. She was a blast, so fun, very giving, artistically talented, and such a busy bee. I'm sorry we didn't keep up our friendship as our lives carried on but always enjoyed running into her in town. She will be missed and is a big loss to so many. God grant all of her loved ones comfort.

“ One of the most caring, giving women I have ever had the pleasure of having as a friend. She was a very special part of our “Las Chismosas group. She never said no when we were asked to help, even if she had something else to do, she would find a way to be there. She will be greatly missed by all of us! To the family, my deepest condolences and may God help you get through this very rough time ❤️❤️
