“ She was a beautiful lady and she made me feel so welcomed and I loved talking with her about how life was going. I saw her a few months back and enjoyed even then talk about Jesus and what he had planned. I will miss her deeply she always made me feel welcomed. We send prayers to family members. “ We are certainly going to miss our chats and laughs with Elsie as we got together from time to time . A nice chat as we caught you on a walk or riding your trike. Sharing our Love for Jesus. The smile she wears in this picture on the tribute page makes me think of her excitement meeting her Lord and Savior. See you again one day our Sweet Friend. ❤️🙏
