“ I am very sorry for your loss.
I used to work with Elva. She was friendly and helped anyway she could. She was a good writer. She would write monthly summaries on our residents. It was the best I have ever seen. She never left out anything. She was good to the elderly and critters. She sure loved her cat. I hope she has a good home.
I will miss her alot. She is now in a better place with no worries, no more hurting.
Sincerely, Karen

“ Dear Family of Elva, My heart is with ya'll as I heard of Elva's passing. I have been praying for ya'll since I talked to Rheadonna. Elva was a great friend of mine. I met her at Denny's. We instantly became good friends. We had alot of fun. We had alot of serious talks also. One serious talk was about God. She did say that she accepted Jesus into her heart when she was younger, so it is great to know I will see her one day again in eternity. One funny memory is when I would rock Gypsy on the back of the chair. When she was sitting there, Elva went up to her and said "awe mama's as she reached for her the cat bit her. We laughed so hard. She was also so giving to the unfortunate. She helped a young lady out one time with a bus fare to Dallas because she had no place to go. She spoke highly of the importance of family and alot about her mom. She knew she needed to move back to Roswell because it was important to be there with her Mom. I still remember the day that I helped her move like it was yesterday. I have so many fun stories and awesome memories of her and my friendship. God Bless You All, I pray for God's peace and comfort at this time and the times to come during the grieving process. Sincerely yours, Dara Snyder (Miss Mom)

“ The memories that come to mind when I think of Elva never fail to make me smile! She had such a caring heart and always watched out for me when we worked together. I have so many funny memories with her that will never be forgotten. One in particular was the time a customer complained about Denny's and she handed them \$2 and told them to go to IHOP. Only she could have gotten away with something like that!! Elva will always have a place in my heart, not only for what she did for me, but for the friendship she gave to my mother as well.
