“ My sincere condolences to my Uncle BC and cousins. I know that you lost a piece of your heart with Elva's passing and the love you had for each other is irreplaceable but please try to find comfort in the fact that she is with Auntie Vickie and pain free which was ultimately her desire.

“ My heart is so heavy on our loss of Elva. What a special and giving person she was. She was always so jolly and saw only the best in everyone. I am praying for comfort for the family and friends that have been there by her side thru these rough times for her. She is no longer suffering and we will see her again someday. She was such an angel. God be with you all. Love, Tammy

“ My prayers for comforting are with ya'll. You have a wonderful sister, daughter, aunt, and friend. Elva was and still is a blessing in my life. She took me under her wing at a time in my life when I needed it most, and I know it was a blessing from God that we became friends. I believe I am and will still be under her wing just in a different way now. She taught me to live life to the fullest. I pray for her family and friends to have a peace that surpasses all understanding, that can only be given by our heavenly father.
