As the days pass, the pain will slowly subside, but the love I hold for you in my heart will never lessen.

“ *Our precious little Emily only graced this world for a moment but made an impact on our hearts forever. I am so sorry I won't be able to spoil you rotten and drive your mommy nuts with all the annoying gifts I would give you. I was so excited and looking forward to the incredible person you would become but God decided he wanted you in heaven instead. I love you beautiful girl....forever and always. Kisses from your Aunt Kasey.*
