“ Thank you Linda for always being there as I was growing up, being a kid. No matter what you always had a positive outlook on life. You were passionate about loving everyone and it radiated joy. □ I’m so glad you never moved from your home on Deming because when I was in town I felt compelled to visit you. I just needed to see you and get a hug from you. That’s how you impacted me as a child and now as an adult.

“ *Growing up Linda always opened up her house to all of us kids around the neighborhood to her home on Deming St. She would feed us all and tell us about Jesus and how forgiving he was. She always had her Bible ready with a chapter to read. I just know he was there with open arms welcoming her home along with her daughter. May she rest in love and peace. I love you forever Linda* 🙏🏻💔😭😞
