“ *Mini was a sweet and wonderful friend to me. We enjoyed the scriptures together. I first met Mini at the Roswell Adult Center where I would go to execercise. Mini would always save a place for me next to her and her daughter Tina. When my mother died Mini cheered me up and gave me needed support. She took special interest in my family and she talked with a lot of love about her family, especially her daugther Tina, son in-law Woody, and Jennifer. She also loved to remenice about her brother and siters. I found her to a great friend and a woman of great faith. She loved her Church and respected mine. I will miss my wonderful friend very much.*
