“ *Mr. Montgomery was one of my favorite customers, every time he came into the bank he always was a joy to work with. I will miss him coming into my office with a smile on his face and a joke or two to tell. He was a true "cowboy" in every sense of the word. My thoughts and prayers are with his family during this difficult time.*

“ *Our thoughts and prayers are with Margaret and family. Clayton will be missed greatly, each time we took a trip to the mountains he always welcomed us with his big smile. He was always offering his help, he was the kind of person that would give you the shirt off his back. People like Clayton are few and far between. Our trips to the mountains will not be the same. May God bless and comfort you all!*
