Most of you think his life has come to an ending

But in reality his life is just beginning.

He will always be here,

Just look for him, My dear...

In the Harley Davidson you see pass by,  
A Springer, with the bars set high.  
In the 69' two door,  
His favorite, of course.

Try to remember the stories he told,  
Keep them forever in your heart to hold.  
And always remember his life has not come on ending,  
But it has only just come to a beginning.

“ Ernesto & I starting being best friends since we were 16 yrs. old. He was my Knight in Shining Armor. We enjoyed long country drives, listening to oldies and listening to his stories about his life and family. We both went our separate ways, but our friendship was unconditional. He stayed in Roswell, I moved away. But, when I came back home to visit in Roswell, I knew he was very happy because he adored his Sons. They were his life. Nothing could ever change that. Wish we would have stayed in touch. Will miss him dearly!
