“ *My condolences to the family of ESTEBAN I've known Esteban most of my entire life-- we hardly ran into each other very often but when we did we always made each other laugh at anything he never had a bad thing to say. He had an infectious smile which I will always remember. He made me smile and think things aren't as bad as I might think they are sometimes! I will always remember you -- til we meet again my friend Steve Aguilar*

“ *Esteban, you will be missed very much, but you leave many memories in our hearts. I will forever cherish the time we spent together, destiny can be tricky. Sometimes we don't understand why things happen in our lives, why people come into our lives..I believe it's for us to learn and teach. Thank you for giving special moments to build great thoughts! I'll always love you and think about you as life goes on..look down from heaven once in a while and smile 😊🙏*
