“ My aunt Doris and her husband Pat were both always very kind to me. The thing I remember about the two of them was their sense of humor. It was always a fun and positive experience to be with them. They were positive role models to their family and to the community, blessings from God to those who knew them as I did. It has been many years, since I have seen either of them or their families, as we have all been drawn into the responsibilities to our children and spouses, but I want to say I will always love and honor all of you, and this event, sad as it is gives me an opportunity to express that.

I will always have fond memories of Doris and all of you in her family, and the fun and joy I felt with all of you. I miss my parents, and you always will too, but the thing to celebrate is the people they were and the gift they gave to all of us who had the blessing to know them. In thinking of this, I am reminded of Philippians chapter 4, and that expressed wish of joy and peace for all of you. I am also reminded that, this separation, like all things in this life is temporary while it is the eternal than really matters.

Your mother was a very gracious and graceful lady whom I will always remember fondly.

“ It is bittersweet to have to say good bye to Aunt Doris. What a lovely, fun, nurturing and christ-like woman. It is so easy to love her. She made us little girls feel loved and important to her. She has lived each day as Christ and is a wonderful example to us all. She will be missed so much, but her memory inspires us how to live our lives. She was a wonderful sister to our dad, John. We know they are rejoicing in their reunion in Heaven. God speed, precious Doris. I love that you carry Grandmothers name. She was a saint also. Thinking of all the heavenly reunions helps take the edge off the sadness of her departure. Trina, Dsvid, Lura, we love you and think of you especially at this time. Love, Bonnie

“ I was fortunate enough to meet Doris a couple of years ago here in Rio Rancho, NM. I have a nice memory of having lunch with her, Lura & another friend. It was a wonderful, memorable time for me. She seemed like such a sweet, proper and gracious lady. My life is better for having met her.

May Our Father hold all the family in His arms & provide them with comfort & peace.

*God speed -

“ I did not have the pleasure of knowing Ethel however I know her lovely daughter Trina who is a very kind, fun and giving lady. Trina opened her home to me when I had no where else to live. From what I read and have heard Trina is like her mother in many ways, especially offering me a place to live and I will be eternally grateful for her act of kindness. I also met Trina's sister and brother and they too are both very kind people. God bless you Reaser children and may He give you the strength and courage to get through this sad loss of your beautiful mother. Love and Hugs, Bethy Armendariz.

“ This woman has influenced my faith, my life and outlook on life so much more than she ever knew. She is a part of almost every memory I have growing up. I love you grandma and I thank you for being such a wonderful, loving example and pillar in my life. I can't imagine what my life would have been like without you. You are missed but your legacy will carry on for generations. Enjoy the celebration as you rejoice with the angels and worship at the feet of Jesus. I love you so much.

“ Doris was a wonderful Christian role model in my life. Her positive and loving attitude touched all of those around her. I remember her "spunky" attitude toward life and her and I doing aerobics together in her living room... we both laughed a lot about that. She will always hold a special place in my heart!
