“ *I'm sorry for your loss. May God keep you in His care during this sad time. Its always so hard when we lose our precious family. My dear mother, Maria's grandma passed in January and my dad passed 30 years ago and my boyfriend Roger passed 8 years ago. I try to take comfort in knowing I will see them all again and till that day, they are my angels watching over me in Heaven. God bless you all and keep you in His care.*
