My brother and I would always sit in the back couch watching your cowboys shows every time we'd visit you would always asked me “where's your boyfriend”? You were a really good neighbor, You will be missed. ❤️❤️

“Dad you will be deeply missed. I thank God for giving me an awesome father in law like you!!! You left memories of a life time not only for me but for all our kids!!! The “Stories” will be greatly remembered... heck I think on a few of them I knew them word for word!!! 😊 The memories that I can call my own on our hunting days when I would choose to wait with you while all the guys would walk the canyons. You knew exactly when and where each one would be coming through. That was amazing and you were always right on!!! The memories with you will be treasured heart and soul! I love you.
