Federico was always a very nice and respectful man. One of the good guys that worked in material handling. I am sure his loss will be felt by all his family and friends. May he Rest In Peace!

“ So saddened to hear of Federico passing. Back in the 70 s there was a group of us that hung around and he was in that group. We spent a lot of time chilling and laughing. I will always remember those good old days. Rest in peace my friend and may we someday all regroup again.
