“ *Adela, I'm sorry for your loss. I had the pleasure of caring for your sister in the hospital and she was such a nice person. We had long talks during her stay there and although she wasn't feeling well, she was always giving me compliments for taking such good care of her. I will always appreciate the person she was. Sincerely, Teri Moreno*

“ *Our thoughts and prayers go out to all of our family at this time. We are sorry that we could not attend the services physically but everyone was in our thoughts and prayers. I remember my aunt Fernanda spending New Years with us and her making some sweet tamales...This is one of the many times I will cherish. May she rest in peace and we will never forget her laughter.*
