“ *To the Peralta/Contreras Family:
I was deeply saddened to hear about the death of Flora. I know how difficult this must be for the family. You are in my thoughts and prayers. Flora was such a kind and gentle soul. She would do anything to help someone in need. She was always giving, loving and fun. I remember when I used to baby-sit for her and Mere, and how she taught me to make tortillas. She also taught me to dance at the Gomez Bar.
I know how much you will miss Flora. I encourage you to draw on the strength of your family.
May God bless you during this time and always.*
