“ Brother and Sister Flores were our pastors in Chama NM for a shout time during that time they both loved on us and taught us about the Lord! I will never forget her amazing tostadas garnished with pickles and her teaching my sister and I how to play the piano. Rest In Peace sister Flores, give my daddy and grandma a big hug and kiss for me!

Brother and Sister Flores were the Pastors in Chama NM. Godly, amazing and wonderful people. Hermana Flores taught me how to play the piano and I played for church services for several years. Our family shared many meals with her eating her hot canned green chile. Rest in the arms of the God you so faithful served, hermana. Thank you for all you did for me, I love you and until we meet again, segura la lucha.....

Sister Flores was my preacher in Chama, and when they left Chama we still keep in touch, her and I called each other all the time. Qe would go visit them in Roswell. The last time I talked to her was on Saturday and she told me she was very sick. Then on that next week she went to be with the Lord. My sister you will be missed but we will see each other soon. Love you and always on my mind. Rest in the Lord

“ *It is never easy to lose a loved one, and it is especially difficult to lose your mother. Your mother was a truly admirable woman. I was privileged to have known her. Truly, all teachers dream mother. My classroom and students (Betty, 2nd grade Pecos Elem. ) were blessed by your mother’s presence. I’ll always remember your mother as a parent who made every student feel loved and valued. A truly admirable and inspirational woman. My sincere condolences to You Betty and Valorie and all the Flores family.*
