“ *I extend my deepest sympathies to Florilla's family. I worked with Dwight @ PNM several years ago. My mother and I would visit with Florilla on Saturday mornings and she always enjoyed talking about her family, her fishing days and about the bible. She loved and enjoyed her family very much. She would tell us how she enjoyed visiting her daughter in Las Cruces and the rest of her family including her grandchildren - she was very proud of them all. She would also share tales of her grandson's trips with us. My heart goes out to each of her family, I know your loss as I also lost my own Mother this past December. I will miss visiting with her on Saturday mornings.*
