FLORINDA FLORES

1/16/1935 – 12/13/2020

Flo was an amazing woman. She was a great honorable woman who loved her family more than anything and was never afraid to tell them just how much they meant to her. Flo was an active member of St. Peters Catholic Church, where she was a part of the Women's Society. She was also an active member of the Joy Center, where she loved exercising and having lunch with her friends. Flo lived her life at her own pace, never allowing life punches to slow her down. She faced everything with strength and grace and would always say, "This too shall pass." Flo had a great work ethic.

SERVICES: A Viewing for Florinda will be held at Anderson Bethany Funeral Home on Thursday, December 17, 2020, from 8:00 AM to 6:00 PM. A Graveside Service will be held on Friday, December 18, 2020, at 11:30 AM. Interment will follow at South Park Cemetery.

Flo was a hard worker, she first retired from Hancock Fabrics and then went to work as a cafeteria server for the Roswell Independent District (RISD,) and retired after twenty-five years. She was spunky and witty, just an all-around joy to be with. There is so much more that could be said about her, but I promise that the newspaper doesn't have enough room.

On Sunday, December 13, 2020, with God's grace, Flo went to be with her family, her husband, daughter and son. This is a day she had waited a long time for and I know that she is happy. Flo will be greatly missed by so many. I ask that when you think of her you smile and do something kind for someone.

SURVIVORS: Those left to cherish Florinda's memory are her daughter-in-law: Angelita Flores; granddaughters: Christine Wiggins and husband David and Rose Olivarez; grandsons: Chencho Flores and wife Denise, Phillip Lopez and wife Luningning, Tim Lopez and wife Michelle, Erick Varela and wife Maria; her best friends, granddaughters: Kristian Rodriguez and Samantha Rodriguez; as well as numerous great-grandchildren, great-great-grandchildren, and many close friends (the Silver girls.)

PRECEDED: Florinda was preceded in death by her husband, Chencho Flores; children: Chris Flores and Cathy Flores; granddaughter: Stormy Rae Rodriguez; and siblings: Tommy Saavedra, Florencio Saavedra and Lucy Ysco.

As her family, we would like to thank the Silver girls for being such good friends; Flo's nieces: Denise and Rosanne for the casino trips; the Garcia family for always taking care of whatever she needed; the Sena family for always looking out for Flo; and William Vegara for getting her mail, so she wouldn't have to get out of her car.

“ Flo was an amazing lady! I met Flo when we first moved to Roswell in the late 60's. My parents, Big Joe and Sue Sanchez were very close friends to Chencho and Flo and I grew up playing with Chris and Cathy along with my other siblings. We spent many weekends with them and Flo was always kind and caring and treated us as though we were her own. Both love and discipline!!! We were so close that when I had my second daughter Mikah, Chencho and Flo were her Godparents. Her whole family was special to us and I am so happy for her as she is finally reunited with all of them and most especially her beautiful Savior Jesus!!!! I know they had a wonderful celebration upon her arrival!!!!
My love and prayers to the rest of her family as they grieve her loss!
May the Lord fill your hearts with peace knowing she is in her forever home!!!!

My entire life this woman and her family was in my heart. God had a way of bringing us together at different times in my life. I'm thankful for those memories. There were happy times where we celebrated. There were sad times where we mourned, but we shared Love and faith most of all! Besides my own home address the Flores home in Roswell is an address and home I'll never forget

Flo you're home with your family. Say hi till it's my time to join everyone I love you all forever.

As one of the silver girls we're going to miss you my friend. If it weren't for your calls to remind us that it was time to celebrate one of our birthdays we probably would have forgotten! I personally will miss our long phone visits where we promised to be each others confidants. We shared so much sorrow and laughter. Fly with the Angels! Say hi to all our loved ones there. I know your heart is happy now with your family, but I also know that you will be watching over those you love here, all those you told us about with so much love. You will be missed, but your memory will live forever in our hearts. We will meet again.
