“ To Joe and Casey and family:
Im so sad to hear of Freddie passing. I always enjoyed her companionship and great work ethic. I could always count on her . She always had something goin' on and was a bright spot on mundane days. I still remember her Cajun cooking. She was always gracious and compassionate and lent caring ear. I know she is missed terribly. Through her I was able to meet you guys and I value our friendship. She was always so proud of her boys and her happy life. Stay strong. Tom Longwill
