“ *Although you don't know me my thoughts are with you and your family at this sad time. Please allow me to share this comforting thought with you from the Bible. you can find it at John 5:28,29. The thought of seeing our loved ones again is something most people look forward to. If you would like to know what the bible teaches on this subject, please contact any Jehovah's Witness. We will be happy to assist you. Anita Eoff*
