“ *Bob and Teri,
I called Wiley and Connie about Joan's passing away. They, and Elaine and I, pass on to you and your respective families our condolences. We know how it hurts during times like this. Wiley, Connie and I have some special memories of the Browns' and the Wiers' because of shirttail kinship through John and Loman Wiley. Trips to the farms were special places to share special times even if we did get into trouble occasionally! Our memories of you all are fondly remembered. May God bless all of you.

“ *Terri and family, I just wanted give all of you my condolences and to let you know I am praying for all of you. Joanie was my mom's roommate at Casa Maria and I have known Joanie for as long as my mom has been there(6 years). I loved seeing her everyday and she and I enteracted well most days, but I never left there without acknowledging her. I guess because down deep in my heart I felt I knew her(I found out after I read her obituary). I grew up in Dexter and I was one of Terri's friends when we were about 3rd grade. I miss seeing her everyday, but I know she is in a better place. I grew to love her and there is an emptiness in my heart because I miss seeing her, but I will always remember her. God bless you all, With love, rg*
