“ As the mother of a murdered daughter, Melissa Romero, I know how hard it is to realize you will never see your child again. I want to commend you for the statement in the obituary regarding Gang Attire, I made that same statement at Melissa's funeral. There is no place for that nonsense at the services for your son and no place for it afterwards either. I will keep you in my prayers and know that it is a special kind of hurt when your child is murdered.
