“ *Frank played his guitar for my Aunt Maggie's funeral service and Frank played his guitar and sang for my Mother's funeral service. He was admired by our family and we enjoyed his songs. We were just talking about him while visiting family in Albuquerque. May he sing in heaven, forever. Helen and Mike, Colorado*

“ *To Frank's Family,
I am so sorry to hear about Frank's passing...While working for the City he became friends with my parents at Duran's Grocery..after my Dad passed he would go check on my Mom every Saturday..He also entertained customers with his guitar at my brothers restaurant Capitol Cafe...while I was teaching he made me a tape of him singing this school song that was so funny.
May God's Blessing and the memories you have of your Dad and grandpa support you forever...He was such a good person....Rest in Peace & God Be With You Frank*

“ *My condolences to the family. I worked for many years with Frank. I rode to work with him, a few times, in his "yellow canary", his 67 Ford, when we were neighbors. Frank was always happy, full of life.*
