Dad

A dad is a person who's loving and kind,  
And often he knows what you have on your mind.  
He's someone who listens, suggests, and defends --  
A dad can be one of your very best friends.  
He's proud of your triumphs, but when things go wrong,  
A dad can be patient and helpful and strong.  
In all that you do, a dad's love plays a part--  
There's always a place for him deep in your heart--  
And each year that passes you're even more glad,  
More grateful and proud, just to call him your Dad.
