How can I live without you?

How can I carry on?

When you're the reason I had to live for,
and now you're gone.

You held me up when I was weak;
there wasn't a day we didn't speak.

You picked me up when I was down,
Don't know where I would be if you weren't around.

You taught me so much,

Wish I could still feel your touch.

There's not a minute that goes by
that don't think of you and cry.

I know you're dancing up above
just know you'll always have my love.

I love you grandpa then, now, and always.

We couldn't ask for a better Angel.
