“ Judy and family,  
We find it so hard to believe that Gary is gone. He was so loved by his family and friends. We will always remember our fun times together. How about cutting wood in the mountains? And Friday night pizza at your house. We will miss him too. Please know that we are thinking of you and wish we could be there to give hugs.  
All our love, Ron and Pat Milota

“ Grandpa I love you with all my heart and It's hard to believe that you are gone. I miss you and don't know where to go from here, It's hard to think that I will never see your smiling ornery face again. You'll never again tell me " Love you kid keep your pants on" :) You've taught me so many things which to this day I still keep true in my heart. I will never forget you and I will keep you close. I know I'm never without you for I keep memories of you close. I love you always Amanda
