“ I was saddened to hear of Gary's passing. Even though I haven't seen him in probably 40 years, I still remember the tough, fearless cowboy who showed me his bull riding rigging when I was just a kid. I have old 8 mm movies of Gary taken about 1960 after a church service. To all the family, Fonda, Joyce, Sue, Lana, Steve, please know as you mourn the loss of one so dear to you, that our thoughts and prayers are with you.

“ Gary was more than a Nephew to me. We were (are) best friends. He was more like a brother than a Nephew. I will miss him a lot more than some will know. We had a wonderful time together when we were younger. There are many thoughts I have of our younger days. My thoughts are with all in the family.
