“ My deepest sympathy Mr. and Mrs. Hill and family on the loss of your son. Losing a beloved family member is the hardest thing in the world. I am praying that the Lord will ease your pain and help you find peace.

*I am certain my mom will watch over him in heaven for you.*

*God bless you both.*

“ To Mr. and Mrs. Hill and the entire family:

*My thoughts and prayers are with you all during this difficult time. For the past six years, I worked with Gary and got to know him quite well. He was a dedicated man ... to his job and to his family. He talked about you all quite a bit. He especially enjoyed telling stories of the times he spent with his parents (and his dog sitting adventures), his nieces/nephews (and more specifically the time he was dragged into a teen flick with his niece), and of course, his beloved Astros. I will miss him and the the conversations we had. God Bless.*
