When I was in high school, I was friends with Gary Hoosier and met Gary Letcher through him. Gary and I quickly became good friends. After graduation, I moved to Fort Worth, TX, while Gary attended radio school in Dallas. On weekends, we would hang out and catch up like old times.

Later, Gary went to work for the same company I did, and we shared many business trips to New York City together. Those were some of the best times—filled with laughter, stories, and friendship.

Rest in peace, old friend. You will be missed. Joe Winkler

“ Gary was a dear friend that I've known since he was 12. Always ready to help people and go the extra mile. He was truly one of a kind. My prayers go out to his children. I'm so sorry.

“ I am very saddened to learn of Gary's passing, I met Gary when I worked with the Chaves County Vol. Firefighters and he worked repairing emergency communications equipment. He was such a nice guy to work with! Always willing to go the extra mile to insure the firefighters had the equipment they needed and it was working properly. Please accept my condolences and know that I have your family in my prayers.
