“ Uncle Gary was a very happy and fun guy to be around. In our childhood growing up together, he and his friend Billy Connell loved to play tricks on my brother Cliff and myself. He even convinced us to plant macaroni in the garden and it would grow. (It didn't.) Gary loved and respected Ruth Miller, his brother RC's wife, like a mother. Over the years we have enjoyed family gatherings and visiting on the phone. Special memories will be remembered always. Lindy Miller Woods (Ruth and RC's daughter)

“ *Gary Miller, my youngest brother. Taken from us too soon. Shows how fragile life is and how God works in misterious ways. I still cannot believe he is gone and will miss his phone calls and interesting posts on messenger. I am sure our family and friends will greatly miss him.*

“ Gary and Betty were my neighbors in Nara Visa back in 1979. Thru moved and we lost touch. Fast forward many years and I am working with them for 21 years.

Gary was always there to crack a joke and bop the grandsons on the back of the head. They really miss those taps.

Gary and Betty are cutting a rug again. Miss them both but they are together again
