“ I look back at some of the shared memories of our friendship and remembering when we used to be Neighbors long ago back in 1989 when we first moved on Bonney St. Overtime, George and Norma become close friends with me and my Mom Emma. I grew up knowing him and Norma and some of their family as well. We moved later from Bonney St, but always kept in touch. I'm happy to know that while I was stationed in California and later deployed to Iraq, that Norma and George were there for my mother. And I thank you George for being proud of me while I served. I hope you're proud of me still, you will be missed by many and always loved by those close. See you in the afterlife my friend. ~SergioG
