“ *Susie,
How saddened I was to hear of Gerald's passing! I can still
remember my cousin when I was probably 3 or 4! Gerald was so
very tall (just like Uncle Ike) and I definitely had a crush on him. I
believe Gerald was a junior or senior in high school when we moved
to Hagerman. I was so envious of his muscles in his arms. I
remember asking him where he got such bit muscles(biceps). He
told me he got them at the drug store. I tried for many years to find
muscles at many drug stores, but could never find any! What a
wonderful memory of Gerald's sense of humor. He was so very kind
to the cousins on the Wayne side. We loved him an awful lot!!! God
Bless you and Lawrence!

“ To all the Boyce Family... I have known Gerald my entire life and will miss him. As kids in the Hagerman Schools as well as adults in the community, I always considered Gerald a good friend. He always wore a smile and had a good word for everyone. I admired his "adventuresome" spirit and told him so on several occasions. He would just laugh and say it was a good way to see the world. My thoughts and prayers will be with your family and with Gerald's many friends. Debby

“ I would like to say that my heart goes out to my brother Laurence. I was Gearlds stepdaughter from a very early age, he went from having no children to having 4 before he knew what happened. He and his parents that I loved and still miss, loved and treated us like their own. I had a time this last year that I sat and talked with both my Mom and Gearld and I thanked them both for the ride. Meaning the life that they provided for us. It wasn't always great but we all learned so much. I would like to say thanks again. You will be missed! Sonya

“ *I'm really sorry to hear about the loss of Gerald. I'm happy to say he was the nicest man I ever knew. He told me stories about my family and their history that I still think about with a smile. Gerald was always smiling. I will always remember Gerald sitting at the bar never complaining and always laughing at Uncle Sonny's. I will greatly miss Gerald.*

“ *My condolences to all of Gerald's Family. I grew up in the Gomez Club and that is where I first met Gerald. I have known him since I was a small boy. It was always a joy to see him as he always made it a point to tell me a joke or even make me laugh until I cried about the most serious things. I haven't seen him in years, but I have often talked about him and the jokes he made about Sonny that I will never forget. He will be missed very much.*
