“ *There are words to Express the loss of my brother, Gerald Robles. Your calls in the morning I will miss. You were a good Son, a good Brother, as a good Father. He was a comical person, had a funny side of him, made me laugh. My brother could act crazy but he also had a loving side. I will miss the little things about you, keep them in my heart. I will miss the times on the days I would go and pick you up and I will also miss the days that we went to go visit mom together. We love you, miss you so very much my dearest Brother, Gerald.* 💖💖💖💖🌹

“ We will miss you so so much and remember all the good times we had together even the crazy times. We’ll miss the times we would joke around and laugh. One of many things we’ll remember is you always saying “sunshine, blue skies.” You will always be remembered and we know you’ll still be with us in spirit. Your wings were ready but our hearts were not. We love you so much ❤️❤️

“ My younger is gone but will never be forgotten! I loved my brother and we helped him as as possible! And we were always there for him! He was a good man, father and brother and son! We will miss him immensely! There will be a void in our family! He is in a better place! No pain and no loneliness! Love you brother!

“ My brother passed away about this time a week ago, alone, but had angels looking over him...was a good dad, son and brother . He loved a good conversation and initiated one wherever he went! We spent alot of great times together and we argued a bunch, but that's because we knew and loved each other very well. I will miss my little brother greatly, he was taken too soon, but that was Gods decision, he had other plans for my brother...may my brother rest in peace and fight the demons no more...Love you bro

*“ What a loss for the family. I'm remembering the funny stories you used to tell. I will miss your sense of humor. I remember once when you were visiting California and you were wearing your boots and them getting full of sand. You even had funny work stories - one of the horses would dance for you when she saw you coming knowing her dinner was on the way. Rest in peace Uncle Jerry*

“ *What a great loss to our family. I'll always carry in my heart many fond memories spent with him. The one that comes to mind right now is from many years ago - he loved washing and polishing his car, especially those 'Cragar wheels'. You will be missed Uncle Gerald. Rest in peace.*

“ My condolences goes out to all of the Robles family. Another "homie" gone too early. I think that we started at Highland elementary, but Yucca for sure (too many years ago, lol). I'm just picturing Gerald with his big oh smile, nice head of hair, and making funny remarks. We was cool. It's sad to hear this news but I know that life has no guarantees and has plenty of trials and tribulations. Gerald is at Peace for sure and over these trials on Earth. God Bless you Mrs. Robles and Familia!
