“ I met Glen in the mid 60s when he and I and others were pledges for Delta Sigma Pi Men's Professional Business Fraternity. As pledges, we were subject to a weekly "audit" to determine if we were learning our material. The "audit" line was formed alphabetically so I got to stand next to Glen every week. As fraternity brothers I got to know Glen pretty well. Then a couple of years ago the fraternity chapter had a reunion and I got to renew the friendship. One of the nicest guys I ever met !! So sorry we have lost a man like Glen.
