God saw you were getting tired, and a cure was not to be.

So he put his arms around you, and whispered, "Come to me."

With tearful eyes, we watched you, as we saw you pass away.

Although we loved you dearly, we could not make you stay.

A golden heart stopped beating, hard-working hands at rest,

God broke our hearts to prove, he only takes the best.

“ *Glenda and her family moved next door when we were 4 years old and we have been friends ever since. We have been through the highest of highs and the lowest of lows together, and she has shown strength and determination through it all.*

My heart goes out to her daughters and her siblings who she loved so much.

Thank you Glenda for being such a beautiful blessing all along the way.
