“ *Hello,  
I only recently heard of Glenda's passing.  
I had the privilege of knowing Glenda and her mother, Lora through  
their involvement with the ADBC. These two ladies were the  
definition of elegance, grace, and generosity.

“ *Glenda and I were roommates our freshman year at New Mexico  
State University. She was an only child and I was the oldest of five.  
Glenda would sometimes spend the weekend at my home just sixty  
miles away from school. She was quite comfortable in our busy  
home and my family enjoyed her. We remained friends and kept in  
touch over the years. She was a wonderful, kind and caring person  
who seemed to leave lasting impressions where ever she went.*

“ Glenda was a great neighbor who always extended a helping hand. When my family was helping me reroof my house, Glenda was quick to make us some homemade ice cream on a hot summer day and get us some ice cold water. The night my dog got sprayed by a skunk, Glenda and Ferron were quick to help me get Fido out of the yard and wash him up with tomato sauce. The best neighbor a person could have! She truly loved her son, daughter in law and grandkids and spoke of them often. Farron and family, my deepest condolences.

“ Mrs. Sutton was my 4th grade teacher at Missouri Ave probably about 1980(?). She was very memorable and she had a way about her that made respect come naturally. I remember her compassion for her students and her passion for helping us learn. I had the pleasure of running into her in Ruidoso in recent years. It was great to visit with her in my adult years, her kindness remained. Rest in Peace Mrs. Sutton.

“ Mrs. Sutton was my 4th grade teacher in like 1980. I never forgot her. She was always so kind and soft spoken. I don't think I ever heard her raise her voice. Even after I went on to finish school if I saw her in town she would always say hello. Such a kind soul.

“ Glenda was such a wonderful, loving, and serene person. And she had a great sense of humor! Glenda was my cousin and was a few years older than me. One of my earliest memories of her when I was growing up was of a professional photograph that she had taken (maybe her senior high school photo?). I remember seeing that photo and thinking that she was the most glamorous human being I had ever seen. Glenda always made you feel so comfortable around her and so accepted for who you were. Thoughts, prayers, and much love to Ferran, Krista, Karli, and Kaden. There are no words. Glenda will be so very missed.

“ Mrs. Sutton was my 4th grade teacher at Missouri Avenue many years ago (1986 maybe). She always made me feel heard. She was so kind and compassionate with me and her other students. My mom was her Avon lady for many years also. I’m certain she touched 1000’s of students lives in her lifetime. She will be missed by all who crossed her path.

“ I was privileged to meet Glenda in the last few years through her cousin Mettie Cummins, my roommate in college. We shared times together in Ruidosa & with a visit in the Lubbock nursing home. Glenda was such a special, quiet & reserved lady who I considered a friend. Wishing her family & friends peace & may God wrap His loving arms around you through the hard days ahead Marla Purcell

“ *Rest In Peace Ms Sutton. Thank you for being a wonderful neighbor and friend. Prayers of peaceful comfort for Ferron, Krista, and your grandchildren and family.*

she's in the air you  
breathe with every  
breath you take.  
She sings a song  
of hope and cheer,  
there's no more pain,  
no more fear.  
You'll see her in  
the clouds above,  
hear her whisper
