“ I vaguely remember when I was younger, Uncle BooBoo, and my sister Jacqee would come down to visit me, and my Dad J.W. (James). I don't remember very much, if any, but what I can remember I'll cherish! He would always play with me, tell me jokes, I love//loved him! He WILL NEVER be forgotten, I haven't seen him since I was a little girl, but that does not matter! He touched my life, and my soul, and he will live on because of it! ! !

*I LOVE, AND MISS YOU BOOBOO! ! !

“ *Boo-Boo My Brother-In-Law & friend!! He was in Germany when Carl & I married. He brought us back these beautiful black & gold lamps from Germany plus an owl necklace for me because he was told I liked Owls. Boo Boo got back to Portales where we lived right after we had been in a car accident in Sues car, I had a hair line fracture in the right foot. He had went to the junk yard to see the car & I will never forget what he said to me when he walked in the front door.....Sis I understand you always sat on the center console except for that day. I'm glad you were in the seat that day because the center in pushed in like an accordion , you would not be here today if you had been. Boo Boo & I got along real good always joking & have fun so much that Mom Lobb told Sue we shouldn't be together when Carl wasn't around Ha! Ha! but we were just friends that's all!! Love You Bro. You will be missed*
