“ George, Carrie, Marla and Julie I'm sending my hugs for comfort, my prayers and thoughts. I know Gloria will be definitely missed. She was an amazing person and a good friend with my mom Lina and my dad Tino (Portillo). Gloria and my mom both worked together at the cable company and I'm sure they were both getting into trouble for always laughing. Gloria was more like family to all of us. She was always a helpful, happy, cheerful, caring person and this is how I will always remember her. Rest in Paradise Gloria, now you and my mom are reunited once again.  
Love always, Becca Garcia
