REMEMBRANCE

In the rising of the sun and
its going down,
we will remember you
In the blowing of the wind and
in the chill of winter,
we will remember you
In the opening of the buds and
in the warmth of the summer,
we will remember you
In the rustling of the leaves and
in the beauty of the autumn,
we will remember you
In the beginning of the year, and
when it ends again,
we will remember you
When we are weary, and
in need of strength,
we will call on you
When we are lost, and
feel sick at heart,
we will call on you
When there are joy's we yearn to
share,
we will remember you
So long as we live, he too will
live,
because we were a part of him
He was a part of us and we will
always remember him.
Dear God, continue to hold his
soul in your embrace

until you deem it right that we
should join him
in your everlasting light
Amen
