“ I had not seen Gordon for years and I know today was his birthday. Our parents knew one another and the Dunlaps were well I own in Filer. The two of us were good friends in our young years. I once flew to Eugene Or for a football game at the U of Oregon. The cowboy hat was always part of him. I liked how he was described with his family friends and acquaintance. Captures him well. “ Gordon was one of my favorite customers at Walmart. I remember asking him why he would buy so much bologna and he would tell me it was for his dogs. He would always ask me how my dogs were doing. He was such a nice man and I'll miss him dearly. My prayers are with his family at this time.
