"My precious Sister, my "Baby." How is it that I never saw your wings when you were here with me? When you closed your eyes and soared to the Heaven's, I could hear the faint flutter of your wings as you left. Your body is no longer on this side, but your spirit is here eternally and I see your halo shine. I close my eyes and see your wings surround me in my saddest moments and happiest times.

Sister, my Angel...God has given you your assignment. Always my sister, and forever my Angel. You fly into my dreams when I am asleep. I feel your wings brush my face, wiping away the tears I shed since I can no longer hold you in my arms. But in my heart, you didn't have to earn those wings, you always

had them and you will always be my Angel.

Chelita, I love you so much! I will miss our sleepless nights. To hear you yell, to walk into your room and see your big precious eyes, to dress you and sing to you good morning and good night! To talk to you about Mami and Papi and tell you all my secrets and my dreams, as you would tell me yours with your eyes. I will miss kissing the palm of your hand, watching your smile, rubbing your feet, lying next to you, kissing your forehead, and holding you tight. Sister, it was a great HONOR being chosen to care for you. You taught me how to love unconditionally because we were able to share our lives with an Angel who had a pure heart, never jealous, angry, selfish, or ungrateful.

Yes, lots of tears and worries, but you made me the woman I am today. I love you MORE THAN I Love myself! Because of you, I can see just how special life is and that miracles do exist. You are my best adventure. The Angels all rejoiced as you entered the Promised Land, beyond the Gates of Pearl touched the Wall of Jasper, dipped your feet in the Crystal Sea. The beauty is beyond words as you touch the Savior's hand. Some day I will meet you there. Chelita, thank you for being my sister, my baby. We will always love and forever miss you dearly. Your sisters: Rosa, Claudia, and Jessica."

IF YOU COULD SEE ME NOW

“If you could see me now, you wouldn't shed a tear.

Though you may not understand why I'm no longer here.

Remember my spirit, that's the real me.

I'm still very much alive, oh, if you could only see!

I've beheld our Father's face. I've touched my Savior's hand.

The angels all rejoiced as I entered the Promised Land.

Beyond the gates of pearl, I walk on golden streets.

I've touched the walls of jasper, dipped my foot in the crystal sea.

The beauty is beyond words, nothing can compare.  
I've even seen your mansion; someday I will meet you there.  
Allow Jesus to be your guide, His word will show you the way.  
So, please, don't cry! We will meet again someday!"

“ Claudia and Rosa, well, what words can I say? You will never know how very proud all of us are are both of you for taking care of your loving sister all these years. None of us can imagine the toll it took on your lives but I know that it was done with love, faithfulness, and dedication. We will continue to think of you all. No doubt she is now in heaven, walking and leaping and praising the Lord.

“ I want to tell you that I am praying for you. I am glad I was able to attend the sweet service. I did not get to speak to all the family. It has been a long while since I have spoken to many of you. I had not seen Chelita in several years. I know your parents (& grand parents ) would have loved your sweet spirit and faithfulness to taking care of her for these many years. May God comfort you & encourage you in the coming weeks.
