

Gregory E. Barbe

January 26, 1963 - May 18, 2024

Greg Barbe, 61, bid us farewell last week on Saturday, May 18, 2024. He has moved on to the better things promised to him by the One who kept him always looking up and holding on to a living hope beyond this world. Please take a moment and share a kind thought or memory with Greg's family at www.andersonbethany.com.

A memorial service for Greg will be held on Saturday, May 25, 2024, at 2 pm, at the First Baptist Church located at 211 North Cambridge in Hagerman, New Mexico. Greg's friends will direct his memorial service.

Gregory Edgar Barbe, was born on January 26, 1963. His father and mother were Robert and Madeline Barbe. Greg was raised on the family farm east of Hagerman with his brother, Gary, and sister, Peggy Sue, who survived him. He went to school in Hagerman, New Mexico and during these years he developed friendships with a group of men who became his lifelong support group. For all of you who loved and walked beside Greg, may God bless you richly. He loved and appreciated you all. Greg is also survived by his son William of Albuquerque, New Mexico.

Greg enjoyed the outdoors. He would take off for several days and sleep out in the open under the stars. Greg also loved farm work and being a ranch hand, but it did not start out that way. During his younger years as he worked on the family farm with his dad, he was not sure that it was the type of work he wanted to do. But, like most of us, as time passed, he realized that his mom and dad had a good life on the farm, and all those "hard" lessons of life and

stories about Jesus were really good and important. Greg had his fair share of difficult times, but was always able to get up, and by faith, move forward. And we can't move on without special mention of Granny Bea. Oh, how she loved her grandson, she spoiled Greg, "Really"! Greg served for a time in the Navy and National Guard. Thank you Greg for your service to this country.

“ Greg was a great guy. We went through school together. And after we got out of school we kept in touch. There were a lot of times that Greg and I talked for an hour or longer. Catching up on what we had been up to. I was always available to listen to what was bothering him and he would do the same for me. My heart shattered hearing that he had passed away. But I have comfort in knowing that he is with Robert and Madaline again. Greg you were one of a kind. May you rest in peace my friend. You will always have a place in my heart. I will always cherish the memories that we share..

“ *Although I love all my cousins, I was especially close to my cousin
Greg. We were of the same age and grew up as children. Greg was
my brother. We have always stayed connected through these years.
I love him dearly as he did me. My soul is at rest because I know he
is with his Lord and savior. I Will definitely meet him again someday.*
