“ Can't believe this, it took all of us by surprise! I'll never forget you Memo you were the talker you could make anyone laugh! You were a good husband and a great father to your kids and grandkids! I Loved to see you and chela dance and the way you and chela would always be there for everyone! You took my daughter in at one time and took in my granddaughter as if she were yours! You all babysat the twins and taught them so much! I'll always be forever grateful to you and chela! My heart breaks knowing you left your wife and kids with a hole in their soul! But by the grace of our almighty they will see you again! Fly High Memo Aragon and I can see you now up there with that big smile! Now your an Angel looking down to your beloved Family! My deepest sincerest Condolences to Chela and the Family!
