“ *I have known Sue for over 50 years and she was a wonderful friend. I did not know that she had passed away and that breaks my heart. Her brother and I graduated high school together and Sue and her family lived a block over from my mother and daddy's home. Sue, we didn't get to see each other very often, but we did keep in touch by phone. We always talked about the fun times we had when we were running around together. I will miss you, but you are with our Heavenly Father now, rest in peace.*

*Love

“ I remember Guyla Sue who always went by Sue as a child, a teen, young woman and middle aged - she was my niece - I lost track of her after the death of my step sister Ruth . She was the last surviving member of her family. She was a great golfer when she was young and played golf with Nancy Lopez - she was athletic and also played football on the Roswell High School Football team long before it was acceptable. She had a long struggle finding herself - May she Rest In Peace.
